

Heritage Soccer Park Drink Program

Dear Parent, Coach and Team Manager,

Once again we are offering the opportunity to pre-purchase drinks at a reduced rate for the season. This season's price per player is \$1.50 per 20 oz. bottle. The regular price for 20 oz. bottles is \$2.25

At the reduced price, it will cost each player \$12.00 for the entire season (8 drinks). This must be paid in advance. Your entire team does NOT need to participate for you to take advantage of this program.

If you wish to participate in the Heritage Soccer Park Drink Program, please complete the form below and turn it in with a check for \$12.00 to the Heritage Soccer Park concession stand. After sending or dropping off the form below with payment, you will be issued eight (8) drink coupons per player.

Drink coupons can be redeemed at any time through the season from the concession stand windows or concession carts throughout the park.

Note: All proceeds from the Heritage Soccer Park concession stand go to the maintenance of the fields at the Heritage Soccer Park Complex. Additional drink coupons may be purchased throughout the season in groups of eight (8).
